Dear All,

### **Kwun Tong District Children's Water Polo Flippaball Competition (觀塘區兒童非撞式水球比賽暨同樂日)**

We are thrilled to extend an invitation to you on behalf of the Hong Kong China Swimming Association (HKGSA) for an exhilarating event that promises to make a splash in the world of aquatic sports. The Kwun Tong District Children's Water Polo Flippaball Competition and Fun Day (觀塘區兒童非撞式水球比賽暨同樂日) is set to take place, and we are eager for your participation.

This pioneering event is scheduled for December 1, 2024, a Sunday afternoon filled with energy and excitement from 1:00 PM to 5:30 PM at the Lam Tin Swimming Pool - Training Pool. The pool dimensions are tailored for youthful engagement, measuring 12 meters in length and width, with a depth ranging from 1.2 to 1.4 meters.

The day's agenda is packed with activities designed to immerse participants in the world of water polo. Children will have the opportunity to experience water polo both on land and in the water. A water polo exhibition match will take place, followed by the main event – the Water Polo Flippaball matches. (Details can refer to the enrolment form)

This event serves as a precursor to the 15<sup>th</sup> National Games, where water polo will be featured among the sports in November 2025 in the Greater Bay Area. It is a fantastic opportunity for the community to familiarize themselves with water polo and for children aged 8 to 12 to dive into this sport. We encourage all interested young athletes to form teams and join us. Please note that spaces are limited and will be allocated on a first-come, first-served basis.

We are looking forward to welcoming a maximum of 8 teams, with a mix of boys and girls, and up to 7 members per team. This is not just a competition; it's a celebration of the spirit and joy of water polo.

Please RSVP by submitting your team's registration and payment by the deadline to secure your spot in this landmark event. Let's make waves together!

Warm regards,

Howard Wong  
Chairman, Water Polo Committee  
Hong Kong China Swimming Association
