TO: School Principal / Teacher in-charge

Dear Principal / Teacher in-charge,

23rd HKGSA School Invitational Water Polo Championships

The Water Polo Committee of the Hong Kong China Swimming Association is pleased to extend an invitation to your School to participate in the 23rd HKGSA School Invitational Water Polo Championships to be held at Wan Chai Swimming Pool, Hong Kong on 23rd – 24th November 2024 (Saturday & Sunday).

The purpose of this competition is to promote water polo activities at the Secondary School level. Therefore, the players' ability may range from complete novices to players with some experience. In the past, many players who took part had only 2 weeks' introduction to water polo. Amazingly, almost all enjoyed the experiences and some have, as a direct result of the competition carried on with water polo afterwards. The Hong Kong Water Polo Head Coach will also be at the competition for talent scouting and you are more than welcome to discuss with the Coach personally about boys and girls you feel may have potential to excel in water polo.

The Water Polo Committee would be very happy to offer assistance to any team or school coach in the run-up to the competition, for example, in explaining rules, providing some basic water polo background to PE teachers, etc.

There will be a certificate for every participant. Enclosed please find the Entry form for your arrangement.
